A. Wesley-Jessen shall divest, absolutely and in good faith and at no minimum price, PBH's Opaque Lens Business. PBH's Opaque Lens Business shall be divested within four (4) months of the date this Agreement is signed, to an Acquirer that receives the prior approval of the Commission and only pursuant to a Divestiture Agreement that receives the prior approval of the Commission.

The purpose of this divestiture is to create an independent competitor in the research, development, manufacture, distribution and sale of Opaque Contact Lenses and to remedy the lessening of competition resulting from the Pilkington Acquisition as alleged in the Commission's Complaint.

B. Upon reasonable notice and request from the Acquirer or New Acquirer to Wesley-Jessen, Wesley-Jessen shall provide information, technical assistance and advice to the Acquirer or New Acquirer such that the Acquirer or New Acquirer will be capable of continuing the current research, development, manufacture, distribution and sale with respect to PBH's Opaque Lens Products. Such assistance shall include reasonable consultation with knowledgeable employees of Wesley-Jessen and training at the facility of the Acquirer or New Acquirer, sufficient to satisfy the management of the Acquirer or New Acquirer that its personnel are adequately knowledgeable about PBH's Opaque Lens Products. However, Respondent shall not be required to continue providing such assistance for more than

eighteen (18) months after divestiture to the Acquirer or New Acquirer of PBH's Opaque Lens Products. Respondent may require reimbursement from the Acquirer or New Acquirer for all of its own direct costs incurred in providing the services required by

and the Divestiture Agreement (or the New Acquirer and its Divestiture Agreement), or such later time as the Acquirer or New Acquirer may require.

(2) Wesley-Jessen shall make representations and warranties to the Acquirer or New Acquirer that the Supplied Products meet FDA approved specifications therefor and are not adulterated or misbranded within the meaning of the Food, Drug and Cosmetic Act, 21 U.S.C. §§ 321, et seq. Wesley-Jessen shall agree to indemnify, defend and hold the Acquirer or New Acquirer harmless from any and all suits,

Acquirer or New Acquirer to manufacture PBH's Opaque Lens Products for sale in the United States. The Divestiture Agreement shall also require the Acquirer or New Acquirer to report to the Commission and the trustee at least thirty (30) days prior to its ceasing the manufacture or sale of PBH's Opaque Lens Products in the United States for any time period exceeding sixty (60) days or abandoning its efforts to obtain all necessary FDA approvals to manufacture its own PBH's Opaque Lens Products for sale in the United States.

C. The Divestiture Agreement shall provide that the Commission may terminate the Divestiture Agreement if the Acquirer or New Acquirer: (1) ceases for sixty (60) days or more the sale of PBH's Opaque Lens Products prior to obtaining all

F. Respondent shall use any Information Relating to Licensing of Patents obtained by Respondent only in Respondent's capacity as a licensor of certain patents in order to collect royalties, pursuant to Paragraph II. of this Order.

IV.

IT IS FURTHER ORDERED that:

A. Within three (3) months of the date this Agreement is signed, or any time thereafter, the Commission may appoint a trustee to monitor that Wesley-Jessen and the Acquirer or New Acquirer expeditiously perform their respective responsibilities as required by this Order, the Divestiture Agreement, and the Supply Agreement approved by the Commission. Wesley-Jessen shall consent to the following terms and conditions regarding the trustee's powers, duties, authorities, and responsibilities:

(1) The Commission shall select the trustee, subject to the consent of Wesley-Jessen, which consent shall not be unreasonably withheld. If Wesley-Jessen has not opposed, in writing, including the reasons for opposing, the selection of any proposed trustee within ten (10) days after notice by the staff of the Commission to Wesley-Jessen of the identity of any proposed trustee, Wesley-Jessen shall be deemed to have consented to the selection of the proposed trustee.

(2) The trustee shall have the power and authority to monitor Respondent's compliance with the terms of this Order and the compliance of the Respondent with the terms of the Divestiture Agreement and the Supply Agreement. If directed by the Commission to divest PBH's Opaque Lens Business

or expenses result from the misfeasance, gross negligence, willful or wanton acts, or bad faith by the trustee.

(8) If the trustee ceases to act or fails to act diligently, a substitute trustee shall be appointed in the same manner as provided in Paragraph IV. of this Order.

(9) The Commission may on its own initiative or at the request of the trustee issue such additional orders or directions as may be necessary or appropriate to assure compliance with the requirements of Paragraph II. of this Order and the Divestiture Agreement and Supply Agreement with the Acquirer or the New Acquirer.

(10) The trustee shall report in writing to the Commission every three months concerning compliance by the Respondent and the Acquirer or the New Acquirer with the provisions of Paragraphs II. and III. of this Order and the efforts of the Acquirer or the New Acquirer to receive all necessary FDA approvals to manufacture Opaque Contact Lenses for sale in the United States.

B. Respondent shall comply with all reasonable directives of the trustee regarding Respondent's obligation to cooperate with the trustee's efforts to monitor the compliance of the Respondent and the Acquirer or New Acquirer with this Order, the Divestiture Agreement, and the Supply Agreement.

C. If the Commission terminates the Divestiture Agreement pursuant to Paragraph III.C. of this Order, the Commission may direct the trustee to seek a New Acquirer, as provided for in Paragraph V. of this Order.

V.

IT IS FURTHER ORDERED that:

A. If Wesley-Jessen has not divested PBH's Opaque Lens Business as required by Paragraph II.A. of this Order, or if the Commission terminates the Divestiture Agreement pursuant to Paragraph III.C. of this Order, the Commission may direct the trustee appointed pursuant to Paragraph IV. of this Order to divest PBH's Opaque Lens Business. In the event that the Commission or the Attorney General brings an action pursuant to § 5(1) of the Federal Trade Commission Act, 15 U.S.C. § 45(1), or any other statute enforced by the Commission, Wesley-Jessen shall consent to the appointment of a trustee in such action. Neither the appointment of a trustee nor a decision not to appoint a trustee under this Paragraph shall preclude the Commission or the

Attorney General from seeking civil penalties or any other relief available to it, including a court-appointed trustee, pursuant to § 5(1) of the Federal Trade Commission Act, or any other statute enforced by the Commission, for any failure by the Respondent to comply with this Order.

B. If the trustee is directed by the Commission or a court pursuant to Paragraph V.A. of this Order to divest PBH's Opaque Lens Business, Respondent shall consent to the following terms and conditions regarding the trustee's powers, duties, authority, and responsibilities:

(1) Subject to the prior approval of the Commission, the trustee shall have the exclusive power and authority to divest PBH's Opaque Lens Business.

(2) The trustee shall have twelve (12) months from the date the Commission directs the trustee to divest PBH's Opaque Lens Business to accomplish the divestiture of PBH's Opaque Lens Business, which divestiture shall be subject to the prior approval of the Commission. If, however, at the end of this twelve (12) month period, the trustee has submitted a divestiture candidate or believes that divestiture can be achieved within a reasonable time, the divestiture period may be extended by the Commission, or, in the case of a court-appointed trustee, by the court; provided, however, the Commission may extend the twelve (12) month period only two (2) times.

(3) The trustee shall have full and complete access to the personnel, documents, books, records and facilities related to PBH's Opaque Lens Business and to any other relevant information, as the trustee may request. Respondent shall develop such financial or other information as the trustee may request and shall cooperate with the trustee. Respondent shall take no action to interfere with or impede the trustee's accomplishment of the divestiture. Any delays in divestiture caused by Respondent shall extend the time to accomplish the divestiture under this Paragraph in an amount equal to the delay, as determined by the Commission or, for a court-appointed trustee, by the court.

(4) The trustee shall use his or her best efforts to negotiate the most favorable price and terms available in each contract that is submitted to the Commission, subject to Respondent's absolute and unconditional obligation to divest at no minimum price. The divestiture shall be made pursuant to a Divestiture Agreement approved by the

Commission and to a New Acquirer approved by the Commission; provided, however, if the trustee receives bona fide offers from more than one entity, and if the Commission determines to approve more than one such entity, the trustee shall divest to the entity selected by Respondent from among those approved by the Commission.

(5) The trustee shall serve, without bond or other security, at the cost and expense of Respondent, on such reasonable and customary terms and conditions as the Commission or a court may set. The trustee shall have the authority to employ, at the cost and expense of Respondent, such consultants, accountants, attorneys, investment bankers, business brokers, appraisers, and other representatives and assistants as are necessary to carry out the trustee's duties and responsibilities. The trustee shall account for all monies derived from the divestiture

(7) If the trustee ceases to act or fails to act diligently, a substitute trustee shall be appointed in the same manner as provided in Paragraph IV.A. of this Order.

(8) The Commission or, in the case of a court-appointed trustee, the court, may on its own initiative or at the request of the trustee issue such additional orders or directions as may be necessary or appropriate to accomplish the divestiture required by this Order.

(9) The trustee shall have no obligation or authority to operate or maintain PBH's Opaque Lens Business.

(10) The trustee shall report in writing to Respondent and the Commission every sixty (60) days concerning the trustee's efforts to accomplish the divestiture.

VI.

IT IS FURTHER ORDERED that, for a period of ten (10) years after the date the Order becomes final, respondent shall not, without prior notice to the Commission, directly or indirectly, through subsidiaries, partnerships, or otherwise:

A. Acquire more than 5% of any stock, share capital, equity, or other interest in any concern, corporate or non-corporate, engaged in at the time of such acquisition, or within the two years preceding such acquisition, the research, development, manufacture, importation, distribution or sale of opaque contact lenses in the United States; or

B. Acquire any assets at the time of the proposed acquisition used for or used in the previous two years for (and still suitable for use for) the research, development, manufacture, distribution or sale of Opaque Contact Lenses in the United States. Provided, however, that this Paragraph VI. shall not apply to the acquisition of equipment, machinery, supplies or facilities constructed, manufactured or developed by or for respondent.

The prior notifications required by this Paragraph VI. shall be given on the Notification and Report Form set forth in the Appendix to Part 803 of Title 16 of the Code of Federal Regulations, as amended (hereinafter referred to as "the Notification"), and shall be prepared and transmitted in accordance with the requirements of that part, except that no filing fee will be required for any such notification, notification shall be filed with the Secretary of the Commission, notification need not be made to the United States Department of Justice, and notification is required only of respondent and not of any other party to the transaction. Respondent shall provide the Notification to the Commission at least thirty (30) days prior to consummating any such transaction (hereinafter referred to as the "first waiting period"). If, within the first waiting period, representatives of the Commission make a written request for additional information, respondent shall not consummate the transaction until twenty (20) days after substantially complying with such request for additional information. Early termination of the waiting periods in this paragraph may be requested and, where appropriate, granted by letter from the Bureau of Competition. Notwithstanding, prior notification shall not be required by this paragraph for a transaction for which notification is required to be made, and has been made, pursuant to Section 7A of the Clayton Act, 15 U.S.C. § 18a.

VII.

IT IS FURTHER ORDERED that Respondent shall notify the Commission at least thirty (30) days prior to any proposed change in the corporate structure of Respondent such as dissolution, assignment, sale resulting in the emergence of a successor corporation, or the creation or dissolution of subsidiaries or any other change in the corporation that may affect compliance obligations arising out of this Order.

VIII.

IT IS FURTHER ORDERED that Respondent, for the purpose of determining and securing compliance with this Order, and subject to any legally recognized privilege, upon written request and on five (5) days' notice to Respondent, shall permit any duly authorized representative(s) of the Commission:

A. Access, during office hours and in the presence of counsel, to inspect and copy all books, ledgers, accounts, correspondence, memoranda and other records and documents in the possession or under the control of Respondent relating to any matters contained in this Order; and

B. Upon five (5) days' notice to Respondent, and without restraint or interference from Respondent, to interview Respondent's officers, directors, or employees, who may have counsel present, regarding such matters.

I. RESPONDENT

1. Respondent Wesley-Jessen Corporation ("Wesley-Jessen") is a corporation organized, existing, and doing business under and by virtue of the laws of the state of Delaware, with its principal place of business located at 333 East Howard Avenue, Des Plaines, Illinois.

II. THE ACQUIRED COMPANY

2. Pilkington plc ("PBH") is a corporation organized, existing, and doing business under and by virtue of the laws of the United Kingdom, with its principal place of business located at Prescot Road, St. Helens, Merseyside, England.

III. JURISDICTION

3. Respondent is, and at all times relevant herein has been, engaged in commerce as "commerce" is defined in Section 1 of the Clayton Act, as amended, 15 U.S.C. § 12, and is a corporation whose business is in or affects commerce as "commerce" is defined in Section 4 of the Federal Trade Commission Act, as amended, 15 U.S.C. § 44.

IV. THE ACQUISITION

4. On or about March 27, 1996, Wesley-Jessen and PBH signed a Letter of Intent whereby Wesley-Jessen would acquire all the voting securities of PBH, voting securities of certain foreign issuers controlled by PBH and certain assets located outside the United States for approximately \$80 million ("Acquisition").

V. THE RELEVANT MARKETS

5.

7. The market for the manufacture and sale of opaque contact lenses is highly concentrated as measured by the Herfindahl-Hirschman Index. The parties to the Acquisition combined account for over 90% of the market.

VII. BARRIERS TO ENTRY

8. Entry into the manufacture and sale of opaque contact lenses is difficult and time consuming, requiring the expenditure of significant resources over a period of many years with no assurance that a viable commercial product will result. The existence of broad patents governing design and manufacture make new entry both difficult and unlikely.

VIII. EFFECTS OF THE ACQUISITION

9. The effects of the Acquisition if consummated may be substantially to lessen competition and to tend to create a monopoly in the relevant market in violation of Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18, and Section 5 of the FTC Act, as amended, 15 U.S.C. § 45, by, among others:

(a) eliminating actual, direct and substantial competition based on pricing, service and innovation between Wesley-Jessen and PBH International in the relevant market;

(b) increasing the likelihood that Wesley-Jessen will unilaterally exercise market power in the relevant market;

(c) creating a dominant firm in the relevant market;
and

(d) enhancing the likelihood of collusion or coordinated interaction between or among the remaining firms in the relevant market.

IX. VIOLATIONS CHARGED

10. The Acquisition described in Paragraph 4, if consummated, would constitute a violation of Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18, and Section 5 of the FTC Act, as amended, 15 U.S.C. § 45.

11. The Acquisition agreement described in Paragraph 4 constitutes a violation of Section 5 of the FTC Act, as amended, 15 U.S.C. § 45.

WHEREFORE, THE PREMISES CONSIDERED, the Federal Trade Commission on this day of A.D., 199__, issues its Complaint against said respondent.

By the Commission.

ISSUED:

Analysis of Proposed Consent Order
To Aid Public Comment

The Federal Trade Commission ("Commission") has accepted subject to final approval an agreement containing a proposed Consent Order from Wesley-Jessen Corporation ("Wesley-Jessen") which requires Wesley-Jessen to divest the opaque contact lens business of Pilkington Barnes Hind International, Inc. ("PBH") to a Commission-approved purchaser by January 24, 1997, four (4) months from the date the agreement was signed. PBH's Opaque Lens Business includes an exclusive license under PBH's patents and a non-exclusive license under other patents owned by Wesley-Jessen relating to the manufacture and sale of opaque lenses in the United States. Further, Wesley-Jessen has agreed to enter into a contract manufacturing supply agreement which requires Wesley-Jessen to supply the acquirer with PBH's opaque lenses while the acquirer obtains its own FDA approvals.

Opaque contact lenses are lenses that completely change the color of the wearer's eyes, e.g., wearing opaque lenses, a brown-eyed person can appear blue-eyed. Wesley-Jessen and PBH dominate the opaque lens market in the United States, accounting for over 90% of all opaque lens sales. Wesley-Jessen, in acquiring PBH, is buying its main rival in the opaque contact lens market. The possibility of new entry in response to a post-merger price increase is very remote because of barriers presented by broad industry patents governing the design and manufacture of opaque lenses. The proposed complaint alleges that the acquisition, if

consummated, would result in higher prices, lower quality and less innovation in the opaque contact lens market.

On March 27, 1996, Wesley-Jessen and PBH signed a Letter of Intent whereby Wesley-Jessen would acquire 100 percent of the voting securities of PBH, voting securities of certain foreign issuers controlled by PBH and certain assets located outside the United States for approximately \$80 million. The proposed complaint alleges that the proposed acquisition would violate Section 7 of the Clayton Act, as amended, 15 U.S.C. § 18, and Section 5 of the FTC Act, as amended, 15 U.S.C. § 45, in the market for the sale of opaque contact lenses in the United States.

Commission may appoint a trustee to monitor Wesley-Jessen's and the acquirer's performance of their respective responsibilities. In the event that Wesley-Jessen has not divested the PBH Opaque Lens Business within four (4) months to an acquirer approved by the Commission, the Commission may direct the trustee described earlier in this paragraph to divest PBH's Opaque Lens Business.

Also, the Consent Order prohibits Wesley-Jessen, for a period of ten (10) years, from acquiring any interest in any entity engaged in the development, manufacture and sale of opaque contact lenses in the United States without prior notice to the Commission.

The proposed Consent Order has been placed on the public record for sixty (60) days for reception of comments by interested persons.
