The Federal Trade Commission having initiated an investigation of certain acts and practices of respondents, Progressive Mortgage Corporation and Sanford Cramer, and the respondents having been furnished thereafter with a copy of a draft of complaint which the Cleveland Regional Office proposed to present to the Commission for its consideration and which, if issued by the Commission, would charge respondents with violation of the Truth in Lending Act ("TILA") and its implementing Regulation Z, and Section 5 of The Federal Trade Commission Act ("FTC Act"); and

The respondents, their attorneys, and counsel for the Commission having thereafter executed an agreement containing a consent order, an admission by the respondents of all the jurisdictional facts set forth in the aforesaid draft of complaint, a statement that the signing of said agreement is for settlement purposes only and does not constitute an admission by respondents that the law has been violated as alleged in such complaint, and waivers and other provisions as required by the Commission's Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that the respondents have violated the said Acts, and that a complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of sixty (60) days, now in further conformity with the procedure prescribed in § 2.34

of its Rules, the Commission hereby issues its Complaint, makes the following jurisdictional findings and enters the following Order:
