AGREEMENT CONTAINING CONSENT
ORDER TO CEASE AND DESIST

The Federal Trade Commission ("Commission"), having initiated an investigation of certain acts and practices of the Colegio de Cirujanos Dentistas de Puerto Rico ("Colegio"), hereinafter sometimes referred to as "proposed respondent," or "respondent Colegio," and it now appearing that proposed respondent is willing to enter into an agreement containing an order to cease and desist from those acts and practices, and providing for other relief,

IT IS HEREBY AGREED by and between proposed respondent and its counsel, and counsel for the Commission that:

1. Proposed respondent Colegio is an incorporated professional association of almost all dentists practicing dentistry in Puerto Rico, and is organized, existing, and doing business under and by virtue of the laws of the Commonwealth of Puerto Rico, with its principal place of business located at Calle Manuel V. Domenech #200, Hato Rey, Puerto Rico, 00918.
2. Proposed respondent admits all the jurisdictional facts set forth in the draft of complaint here attached.
3. Proposed respondent waives:
 - (a) Any further procedural steps;

- (b) The requirement that the Commission's decision contain a statement of findings of fact and conclusions of law;
- (c) All rights to seek judicial review or otherwise to challenge or contest the validity of the order entered pursuant to this agreement; and
- (d) Any claim under the Equal Access to Justice Act.

4. This agreement shall not become part of the public record of the proceeding unless and until it is accepted by the Commission. If this agreement is accepted by the Commission it, together with the draft of complaint contemplated thereby, will be placed on the public record for a period of sixty (60) days and information in respect thereto publicly released. The Commission thereafter may either withdraw its acceptance of this agreement and so notify proposed respondent, in which event it will take such action as it may consider appropriate, or issue and serve its complaint (in such form as the circumstances may require) and decision, in disposition of the proceeding.

5. This agreement is for settlement purposes only and does not constitute an admission by proposed respondent that the law has been violated as alleged in the draft of complaint here attached, or that the facts as alleged in the draft complaint, other than jurisdictional facts, are true.

6. This agreement contemplates that, if it is accepted by the Commission, and if such acceptance is not subsequently withdrawn by the Commission pursuant to the provisions of § 2.34

7. By signing this agreement containing consent order, proposed respondent represents that the full relief contemplated by this agreement can be accomplished. Proposed respondent has read the proposed complaint and order contemplated hereby. Proposed respondent understands that once the order has been issued, it will be required to file one or more compliance reports showing that it has fully complied with the order. Proposed respondent agrees to comply with the terms of the proposed order from the date it signs this agreement. Proposed respondent further understands that it may be liable for civil penalties in the amount provided by law for each violation of the order after it becomes final.
