GENERIC PHARMACEUTICALS INC.'S INITIAL DISCLOSURES

In accordance with Section 317(b) of the Commission's Rules of Practice, 16 C.F.R. 8.11(b), the Commission has received information from Generic Pharmaceuticals Inc. ("Generic") regarding its initial disclosures of information concerning its marketing of generic pharmaceuticals. The Commission is currently reviewing this information and will issue a decision regarding the Commission's findings and any appropriate remedial action. The Commission's findings and any remedial action will be based on the information available at the time of the Commission's decision. The Commission's findings and any remedial action will be based on the information available at the time of the Commission's decision.

allocation of the Commission's complaint. The Commission is currently reviewing this information and will issue a decision regarding the Commission's findings and any appropriate remedial action. The Commission's findings and any remedial action will be based on the information available at the time of the Commission's decision. The Commission's findings and any remedial action will be based on the information available at the time of the Commission's decision.

and research in any aspect of or allegation in the Commission's complaint. The Commission is currently reviewing this information and will issue a decision regarding the Commission's findings and any appropriate remedial action. The Commission's findings and any remedial action will be based on the information available at the time of the Commission's decision. The Commission's findings and any remedial action will be based on the information available at the time of the Commission's decision.
