Witness List, and was subsequently “cross-designated” by Rambus in its own Preliminary Witness List.

Although Dr. Oh lives in South Korea, he is apparently traveling to the United States in the next ten days to give a deposition in this matter and in the private lawsuit between Hynix and Rambus. Given the importance of his testimony, and the strong preference for live testimony wherever possible, Rambus requests that a subpoena *ad testificandum* be issued so that it may be served upon Dr. Oh in connection with his deposition.

For the foregoing reasons, Rambus respectfully requests that Your Honor grant its application for a subpoena *ad testificandum* to be served on Dr. Oh.

Respectfully submitted,
