)      File No. 021-0115

(b)

to any other manner of service. The complaint may be used in construing the terms of the Decision and Order, and no agreement, understanding, representation, or interpretation not contained in the Decision and Order or the Consent Agreement may be used to vary or contradict the terms of the Decision and Order.

7. Proposed Respondent has read the proposed Complaint and Decision and Order contemplated hereby. It understands that once the Decision and Order has been issued, it will be required to file one or more compliance reports showing that it has fully complied with the Decision and Order. Proposed Respondent further understands that it may be liable for civil penalties in the amount provided by law for each violation of the Decision and Order after it becomes final.
