Docket No. 9302

MICRON TECHNOLOGY INC.'S
MOTION FOR EXTENSION OF TIME TO REQUEST
~~IN CAMERA TREATMENT~~

Micron Technology Inc. ("Micron"), which is not a party to the above-captioned action, respectfully requests that this court grant it an extension of time within which to file a Motion for In Camera treatment from Friday, April 11, 2003 to Wednesday, April 16, 2003. Micron has produced hundreds of thousands of documents in the proceeding and over 561 of Micron's documents have been designated by the parties as exhibits. This short extension is necessary so that Micron can review carefully this large set of

designated material for commercially sensitive information. Micron does not believe that

such a short extension will prejudice the parties in any way.¹

Respectfully submitted,

Richard L. Rosen, Esq.
Randal M. Shaheen, Esq.
