APPENDIX

(Letterhead of the Minnesota Transport Services Association)

Dear Member:

The Federal Trade Commission has ordered Minnesota Transport Services Association (MTSA) to cease and desist its collective tariff rate-making activities. A copy of the Commission's Decision and Order is enclosed.

In order that you may readily understand the terms of the Order, we have set forth its essential provisions, although you must realize that the Order itself is controlling, rather than the following explanation of its provisions:

(1) MTSA is prohibited from engaging in any collective rate-making activities, including the proposal, development or filing of tariffs which contain any collectively formulated rates for intrastate transportation services. Each member carrier must independently set its own rates for transportation of property or related services, goods or equipment between points within the State of Minnesota but may use MTSA as a tariff publishing agent for members' independently established rates.

(2) MTSA is prohibited from providing a forum for its members for the purpose of discussing rates.

(3) MTSA is prohibited from urging, suggesting, encouraging or in any way attempting to influence the rates members charge for their intrastate transportation services; MTSA may not provide non-public information to any carrier about rate changes ordered by another carrier.
