Pursuant to the provisions of the Federal Trade Commission Act (15 U.S.C. § 41, et seq.) and by virtue of the authority vested in it by said Act, the Federal Trade Commission, having reason to believe that New Hampshire Motor Transport Association (hereinafter sometimes referred to as “respondent” or “NHMTA”), an asso

RESPONDENT AND ITS MEMBERS

PARAGRAPH 1. Respondent New Hampshire Motor Transport Association is an association organized, existing, and doing business under and by virtue of the laws of the State of New Hampshire, with its office and principal place of business located at 13 West Street, Concord, New Hampshire 03301.

PARAGRAPH 2. Respondent is an association organized for and serving its members' interests, including their economic interests, by promoting, fostering and advancing the household goods moving industry in the State of New Hampshire. One of the functions of respondent is the initiation, preparation, development, dissemination and filing with the New Hampshire Department of Safety's Bureau of Common Carriers of tariffs and supplements thereto on behalf of and as agent for its members that are engaged in the transportation of household goods. Said tariffs and supplements contain rates and charges for the intrastate and local transportation of household goods and for related services, including, among other things, transporting bulky articles; packing boxes and crates; and extra charges for elevator, stair, and long distance carrying of items. (For purposes of this complaint, the term "tariff" means the publication stating the rates of a carrier for the transportation of property between points within the State of New Hampshire, including updates, revisions, and/or amendments, including general rules and regulations.)

PARAGRAPH 3. Pursuant to New Hampshire state law, each household goods mover is required to file a tariff with the New Hampshire Bureau of Common Carriers containing the carrier's rates, fares, or charges for the intrastate transportation of household goods. By New Hampshire law, a household goods mover is not permitted to charge a rate, fare, or charge different from those contained in its tariff or supplements thereto once the Bureau of Common Carriers has accepted it.

PARAGRAPH 4. Members of respondent are engaged, among other things, in the business of providing transportation and other services for compensation as household goods movers between points within the State of New Hampshire. Except to the extent that competition has been restrained as herein alleged, some members of respondent have been and are now in competition among themselves and with other household goods movers.

PARAGRAPH 5. The membership of NHMTA consists of approximately 400 members of which 19 members are household goods movers that conduct business within the State of New Hampshire. Those 19 NHMTA members receive compensation for intrastate and local moves. Members of NHMTA are entitled to and do, among other things, vote for and elect the directors of the association. The control, direction, and management of NHMTA are vested in the directors, who elect a President, a Vice President, and a Treasurer to carry on the day-to-day administration and management of NHMTA.

JURISDICTION

PARAGRAPH 6. The acts and practices of

Department of Safety; and

(D) Initiating, organizing, coordinating, and conducting meetings or providing a forum for any discussion or agreement among competing carriers concerning or affecting tariffs that contain rules whereby carriers agree to institute automatic changes to rates on file for carriers.

PARAGRAPH 8. The acts and practices of respondent, its members and others, as alleged in Paragraph 7, have had and are now having the effects, among others, of:

(A) Raising, fixing, stabilizing, pegging, maintaining, or otherwise interfering or tampering with the prices of household goods moves;

(B) Restricting, restraining, hindering, preventing, or frustrating price competition in the household goods moving industry; and

(C) Depriving consumers of the benefits of competition.

THE VIOLATION CHARGED

PARAGRAPH 9. The acts, policies and practices of respondent, its members and others, as herein alleged, were and are to the prejudice and injury of the public and constituted and constitute unfair methods of competition in or affecting commerce in violation of Section 5 of the Federal Trade Commission Act, as amended. The acts and practices, as herein alleged, are continuing and will continue in the absence of the relief herein requested.

WHEREFORE, THE PREMISES CONSIDERED, the Federal Trade Commission on this _____ day of _____, 2003, issues its complaint against NHMTA.

By the Commission.
