APPENDIX

(Letterhead of the New Hampshire Motor Transport Association)

Dear Tariff Member:

The Federal Trade Commission has ordered the New Hampshire Motor Transport Association (NHMTA) to cease and desist from assisting with the filing of tariffs that contain rules calling for automatic rate increases and, in particular, the “seasonal adjustment” provision of Rule 28 of the existing tariff. A copy of the Commission’s Decision and Order is enclosed.

The terms of the Order itself are controlling, but its essential provisions are as follows:

(1) NHMTA is prohibited from filing any tariffs that have rules that call for tariff members to automatically increase their rates. Each member carrier must independently set its own rates for transportation of property or related services, goods or equipment between points within the State of New Hampshire. Tariff members may still use NHMTA as a tariff publishing agent provided that the tariff does not contain any rules calling for automatic rate increases such as the “seasonal adjustment” rule.

(2) NHMTA is prohibited from providing a forum for its tariff members for the purpose of discussing rules concerning automatic rate increases.

(3) NHMTA is prohibited from urging, suggesting, encouraging or attempting to influence in any way the rates members charge for their intrastate transportation services, including influencing members to make automatic rate adjustments. NHMTA may not provide non-public information to any carrier about rate changes ordered by another carrier.

(4) NHMTA is prohibited from maintaining any rate or tariff committee which discusses or formulates rules pertaining to automatic rate increases.

(5) NHMTA has 120 days to make sure that all tariffs and tariff supplements on file at the New Hampshire Bureau of Common Carriers which were filed by the NHMTA contain no rules calling for automatic rate increases and, in particular, the “seasonal adjustment” rule.

(6) NHMTA is required to amend its by-laws to require its tariff members to observe the provisions of the Order as a condition of membership in NHMTA.

Sincerely yours,

[appropriate NHMTA officer]
