INTERROGATORY #7

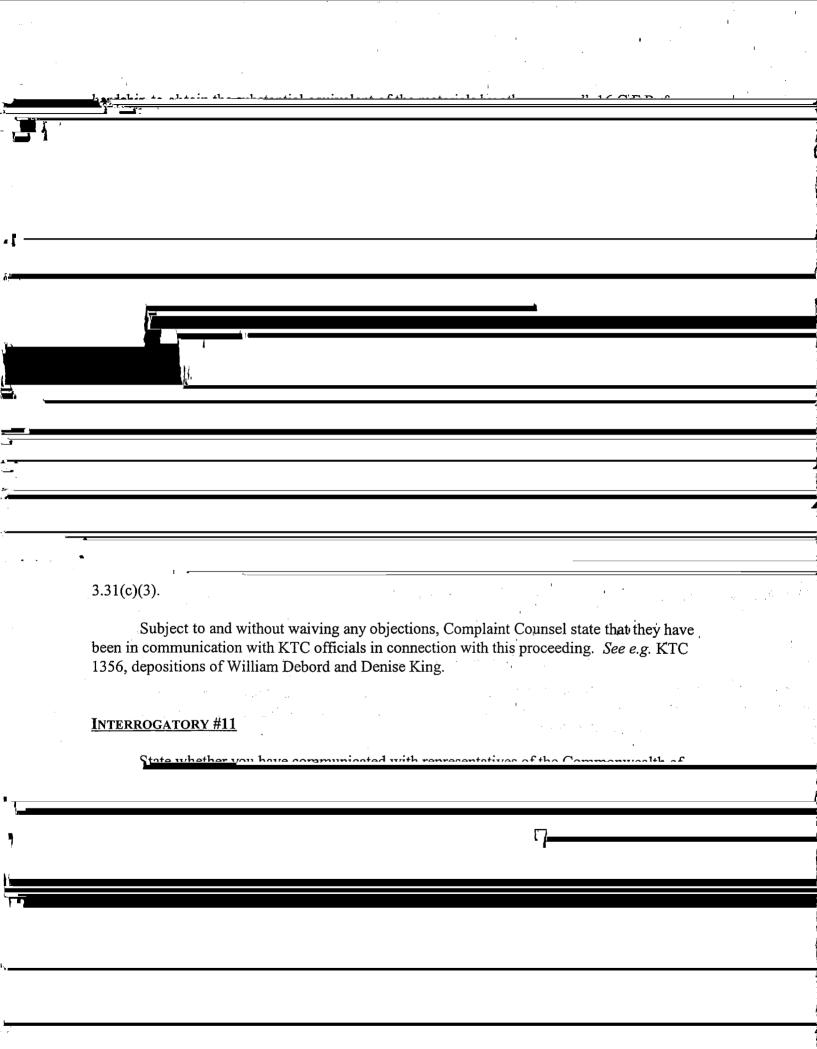

State whether you have any evidence that KTC has failed to actively supervise the program of rate regulation which is the subject of the Kentucky Association's State Action defense.

RESPONSE:

The evidence is full of examples of failure to actively supervise tariff regulation. Without
limitation, such evidence includes the documents produced by KTC and the Kentucky
Association and the deposition testimony of Mr. Debord, Ms. King, and Mr. Mirus. The
evidence demonstrates a general lack of supervision including, but not limited to, KTC's failure
to hold hearings to consider rate increases, KTC's failure to issue written decisions approving
rates or rate increases, KTC's failure to conduct formal economic analyses of the Kentucky
the state of the s

Warehousemen's Association that indicate that such notice of hearings was provided. See e.g. ORE Assoc-0000846, ORE Assoc-0000850-51, ORE Assoc-0000818-823. **INTERROGATORY #9** Association members in connection with Kentucky intrastate transportation services which are listed in and/or subject to the Tariff.

RESPONSE:

Subject to and without waiving any objections, Complaint Counsel have no knowledge of
a request by KTC for intervention in this proceeding. Complaint Counsel therefore have no
reason to form an opinion favoring or opposing such intervention.
