

STATEMENT OF COMMISSIONER MOZELLE W. THOMPSON
in *United States v. Grover Stewart*, File No. X020090

In light of the circumstances in this matter, I have voted to accept the proffered settlement with Grover Stewart. I do, however, share Commissioner Swindle's concerns about the adequacy of the negotiated relief. In the future, where a defendant is a recidivist, I would prefer that Commission and Department of Justice settlement orders provide for stronger relief.
