Docket No. 9315

ORDER GRANTING MOTION FOR EXTENSION OF TIME

On August 2, 2007, the Commission issued an Order in this matter that, *i e alia*, requires Respondent Evanston Northwestern Healthcare Corporation to file with the Commission, on or before September 10, 2007, a detailed proposal for implementing the type of injunctive relief that the Commission has selected, as described by the Opinion of the Commission and the Commission Order; that requires Complaint Counsel to file with the Commission any objections to or comments on that proposal within thirty calendar days thereafter; and that requires Respondent to file any response to Complaint Counsel's filing within ten calendar days thereafter.

Respondent has now filed a Motion requesting an extension of the deadline for filing its detailed proposal until September 17, 2007. Respondent advises that its counsel have received input from numerous officers and employees of Evanston Northwestern Healthcare Corporation, in order to assist counsel in preparing the proposal; that certain persons whose input is necessary have not been available throughout the period since issuance of the Commission Order, as a consequence of previously-scheduled summer travel; and that one additional week is therefore requested in order to complete client input. Respondent further advises that Complaint Counsel do not oppose the Motion, provided that Complaint Counsel will still have thirty days within which to file their response after Respondent has filed its proposal.

The Commission has determined to grant the Motion. Accordingly,

IT IS ORDERED that the deadline prescribed in the Third Ordering Paragraph in the Commission Order issued in this matter on August 2, 2007, be, and it hereby is, extended until September 17, 2007; and

IT IS FURTHER ORDERED THAT the deadlines prescribed in the Sixth and Seventh Ordering Paragraphs in the August 2, 2007 Order remain unchanged.

By the Commission.
