*Re: In the Matter of Aspen Way Enterprises, Inc., File No. 112 3151, Docket No. C-4392*

Dear Sir or Madam:

Thank you for your comment regarding the Federal Trade Commission's consent agreement in the above-entitled proceeding. The Commission has placed your comment on the public record pursuant to Rule 4.9(b)(6)(ii) of the Commission's Rules of Practice, 16 C.F.R. § 4.9(b)(6)(ii), and has given it serious consideration.

Your comment addresses the proposed consent order with Aspen Way Enterprises, Inc. ("Aspen Way"), which you object to in light of alleged factual discrepancies between the Commission's complaint against Aspen Way and the company's actual practices. According to

immediately prior to its activation. This notice requirement may be suspended where the consumer reports the computer stolen – or there is otherwise a reasonable basis to believe that the computer has been stolen – and a police report is filed. This provision provides Aspen Way with an effective means to locate and retrieve stolen computers.

In light of these considerations, the Commission has determined that the public interest would best be served by issuing the Decision and Order in final form without any modifications. The final Decision and Order and other relevant materials are available from the Commission's website at <http://www.ftc.gov>. It helps the Commission's analysis to hear from a variety of sources in its work. The Commission thanks you again for your comment.

By direction of the Commission, Commissioner Wright not participating.
