Re: *Electronic Arts Inc.'s Proposed Acquisition of Take-Two Interactive Software, Inc., FTC File No. 081-0138*

Dear Mr. Wall:

The Federal Trade Commission's Bureau of Competition has conducted a non-public investigation to determine whether the acquisition by Electronic Arts Inc. of Take-Two Interactive Software, Inc. may violate Section 7 of the Clayton Act or Section 5 of the Federal Trade Commission Act.

Upon further review of this matter, it now appears that no additional action by the Commission is warranted at this time. Accordingly, the investigation has been closed. This action is not to be construed as a determination that a violation may not have occurred, just as the pendency of an investigation should not be construed as a determination that a violation has occurred. The Commission reserves the right to take further action as the public interest may require.

By direction of the Commission.

Donald S. Clark  
Secretary
