Re: Enterprise Products Partners L.P., FTC File No. 111-0094

Dear Mr. Imus:

The Federal Trade Commission's Bureau of Competition has been conducting a nonpublic investigation to determine whether Enterprise Products Partners L.P. has engaged in or is engaging in unfair methods of competition in violation of Section 5 of the Federal Trade Commission Act, 15 U.S.C. § 45, as amended, through various acts or practices, including, but not limited to, monopolization or attempted monopolization and tying arrangements; or has engaged in unlawful acquisitions in violation of Section 7 of the Clayton Act, 15 U.S.C. § 18, as amended, or Section 5 of the Federal Trade Commission Act, 15 U.S.C. § 45, as amended; or has violated or is violating the Federal Trade Commission's Decision and Order in *In the Matter of Dan L. Duncan et al.*, Docket No. C-4173.

Upon further review of this matter, it now appears that no further action is warranted by the Commission at this time. Accordingly, the investigation has been closed. This action is not to be construed as a determination that a violation may not have occurred, just as the pendency of an investigation should not be construed as a determination that a violation has occurred. The Commission reserves the right to take such further action as the public interest may require.

By direction of the Commission, Commissioner Ramirez recused.
