Steven J. Hartson, Professor

Hogan & Hartson LLP

555 Thirtieth Street, NW

that WellMed has made a number of improvements in its privacy policy. We encourage continued efforts to develop meaningful privacy protection for our patients, including adoption of the four privacy principles: fair information practices, choice, access and security. Staff further notes the recent industry efforts by stakeholder groups as well as the industry's commitment to privacy.

Sincerely,

C. Lee Peeler
