

VOR Federal airways are published in paragraph 6010(a) of FAA Order 7400.9B dated July 18, 1994, and effective September 16, 1994, which is incorporated by reference in 14 CFR 71.1. The airways listed in this document would be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore - (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

RIN 1515-AB61

Advance Notice of Proposed Customs Regulations Amendments Concerning the Country of Origin Marking Requirements for Frozen Produce Packages

AGENCY: Customs Service, Department of Treasury.

ACTION: Advance notice of proposed rulemaking; solicitation of comments.

SUMMARY: This document provides advance notice of a proposal to amend the Customs Regulations to: Prescribe rules regarding a conspicuous place for the marking of country of origin on packages of frozen produce; and establish rules concerning the appropriate type size and style to be employed in marking frozen produce packages. The purpose of this document is to help determine whether a rulemaking is needed to ensure a uniform standard for conspicuous and legible country of origin marking for packages of frozen produce, and, if needed, the contents of that rulemaking.

DATES: Comments must be received on or before March 20, 1995.

ADDRESSES: Written comments (preferably in triplicate) may be addressed to the Regulations Branch, Office of Regulations and Rulings, U.S. Customs Service, Franklin Court, 1301 Constitution Ave., N.W., Washington, D.C. 20229. Comments submitted may be inspected at the Regulations Branch, Office of Regulations and Rulings, U.S. Customs Service, Franklin Court, 1099 14th Street, N.W., Suite 4000, Washington, D.C.

FOR FURTHER INFORMATION CONTACT: Wende Schuster, Special Classification and Marking Branch, Office of Regulations and Rulings (202-482-6980).

SUPPLEMENTARY INFORMATION:

Background

Section 304 of the Tariff Act of 1930, as amended (19 U.S.C. 1304), provides that, unless excepted, every article of foreign origin (or its container) imported

into the U.S. shall be marked in a conspicuous place as legibly, indelibly, and permanently as the nature of the article (or its container) will permit, in such a manner as to indicate to the ultimate purchaser in the U.S. the English name of the country of origin of the article. Failure to mark an article in accordance with the requirements of 19 U.S.C. 1304 shall result in the levy of a duty of ten percent *ad valorem*. Part 134, Customs Regulations (19 CFR Part 134), implements the country of origin marking requirements and exceptions of 19 U.S.C. 1304.

Customs Ruling and Court Action

On May 9, 1988, Norcal Crosetti Foods, Inc. and other California packers of domestically-grown produce requested a ruling from Customs concerning what constituted conspicuous country of origin marking for packages of frozen produce, *i.e.*, whether the marking should be located on the front or some other panel of the package and in what type size and style it should appear. Specifically, Customs was asked to determine whether packaged frozen produce was considered conspicuously marked if the marking did not appear on the front panel of the package in prominent lettering. Sample packages which were not marked on their front panels were submitted with the ruling request. On November 21, 1988, Customs issued a ruling (Headquarters Ruling Letter (HRL) 731830), stating that the country of origin markings on all of the samples submitted were in compliance with the country of origin marking requirements, as the packages were marked by names and words which appeared on the back panel of the packaging in close proximity to nutritional and other information.

The packers appealed Customs determination in HRL 731830 to the Court of International Trade (CIT). *Norcal/Crosetti Foods, Inc. v. U.S. Customs Service*, 15 CIT 60, 758 F.Supp. 729 (1991) (*Norcal I*). In *Norcal I*, the court ruled that frozen produce is not marked in a conspicuous place unless it is marked on the front panel of the package. The court remanded the matter to Customs with directions to issue a new ruling. Pursuant to the court's order in *Norcal I*, Customs issued Treasury Decision (T.D.) 91-48 (56 FR 24115, May 28, 1991), which required the country of origin marking for frozen produce to be placed on the front panel of the package.

Arguing that the CIT did not have jurisdiction to decide the case, the government appealed the CIT's decision to the Court of Appeals for the Federal
