

consideration herein are either required or recommended in OMB Circulars. The two exceptions are non-recurring forms, the former a questionnaire sent only to non-public sector potential grantees and the latter a questionnaire sent only to former grantees for voluntary completion and submission.

The collected information is used by FMCS to determine annual applicant suitability, to monitor quarterly grant project status, and for on-going program evaluation. If the information were not collected, there could be no accounting for the activities of the program. Actual use has been the same as intended use.

B : The Application for Federal Assistance (SF-424) is an OMB form with no agency additions. The estimated average time burden per respondent: 30 minutes. Estimated average number of responses: 35. The Request for Advance for Advance or Reimbursement SF-270 (LM-6) and the Financial Status Report SF-269a (LM-7) are also OMB forms with no agency additions. The estimated average time burden per respondent per form: 30 minutes and approximate number of responses: 20. Project Performance (LM-8) had approximately 20 respondents and the estimated time per response is 20 minutes. FMCS Grants Program Evaluation Questionnaire (LM-9) number of respondents is approximately 10 and the estimated time per response is 60 minutes. The Accounting System and Financial Capability Questionnaire (LM-3) has approximately 20 respondents and the estimated time per response is 60 minutes.

The FMCS is particularly interested in comments which:

- (i) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (ii) Evaluate the accuracy of the agency's estimates of the burden of the proposed collection of information;
- (iii) Enhance the quality, utility, and clarity of the information to be collected; and
- (iv) Minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated electronic collection technologies or other forms of information technology, . . . permitting electronic and fax submission of responses.
