

(6) Is the presence or absence of "value added" a relevant consideration in determining whether an intracompany transaction must be reported?

1. No = only revenues for sales of those
sales out of establishments in the U.S.
2. No = ~~same~~.
3. Sales of U.S. establishments all as a
wholesale.
Probably no difference where raised
4. Non. Mfg.
5. Co must report in both
