Re: Compliance with Hart-Scott-Rodino Antitrust Improvements Act (the "Act")

Dear Dick:

* T. T.

One of our clients is planning to undertake a series of transactions, at least two of which call provides a filling under the Act. The provides of the internal antidence for the

Premerger Notification Office regarding how to report the proposed transactions. These

persons (A 1 and LLC) will be the same (i.e., A) at the end of the transaction (although not at the beginning). It strikes me that to make C file for the acquisitions from the A entities to be made by LP and Sub does not make sense when A rather than C will control LP and Sub after the / transaction is completed.

Please telephone me al the state of the properties of the opportunity to review this letter, and let me know the Premerger Notification Office's position regarding A's filing
