Re: Confirmation of Conversation Pertaining to Potential 4(c)  
Document

Dear Mr. Vern:

Please accept this letter as confirmation of our discussion on Thursday, May 6, 1999, in which you advised that a document stating only that a transaction may present an unidentified antitrust concern is not a 4(c) document and does not need to be submitted along with a First Step

The document you discussed contains no further information on the transaction except that...

I truly appreciate your time in addressing this issue. Please contact me promptly at [REDACTED]

Sincerely yours,

[REDACTED]

AGREE - This is NOT a 4(c) document.
