

Additional Statement of Commissioner Thomas B. Leary  
Before the  
U.S. Senate Committee on Commerce, Science and Transportation  
Subcommittee on Competition, Foreign Commerce and Infrastructure

In conclusion, let me assure you that we do not want to intrude into other agencies' business and we do not seek to impose remedial relief absent a need for it. But, you decided long ago that the issues we are talking about here are our business, and we cannot do the best possible job for consumers, whom we both seek to serve, while we are constrained by a barrier that has long outlived its usefulness.
