

following:

- "Lose up to 30 lbs in 30 days!"
- "HCG resets your hypothalamus gland so you do not gain the weight back."
- "You lose fat and the weight loss comes directly from this fat loss and does not strip the body of muscle or bone mass."

y dr JEMC may1.1c 0.0016 Tw 12 0 13 1.1-7 T192

the label of a prescription drug must bear the symbol "Rx only."
