-- The United States --

1. rate discussions, beginning with a history of the exemption and subsequent amendments. It then discusses the ongoing Department of Justice enforcement against an international shipping cartel involving roll-on, roll-off cargo. It concludes with a summary of regulatory enforcement related to ocean shipping services.

2. The Shipping Act of 1984, as amended by the Ocean Shipping Reform Act of 1998 (OSRA),¹ provides an alternative competition enforcement regime that includes limited antitrust immunity for ocean common carrier agreements from the antitrust laws. The Federal Maritime Commission (FMC) is the independent regulatory agency
