DECISION AND ORDER

DOCKET NO. C-4497

The Federal Trade Commission (“Commission”), having initiated an investigation of certain acts and practices of the Respondent named in the caption hereof, and the Respondent having been furnished thereafter with a copy of a draft of a Complaint which the Bureau of Consumer Protection proposed to present to the Commission for its consideration and which, if issued, would charge the Respondent with violation of the Federal Trade Commission Act; and

The Respondent, its attorney, and counsel for the Commission having thereafter executed an Agreement Containing Consent Order (“Consent Agreement”), which includes: a statement by Respondent that it neither admits nor denies any of the allegations in the draft complaint, except as specifically stated in this Decision and Order, and, only for purposes of this action, admits the facts necessary to establish jurisdiction; and waives and other provisions as required by the Commission’s Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that the Respondent has violated the Federal Trade Commission Act, and that a complaint should issue stating its charges in that respect, and having thereupon accepted the executed consent agreement and placed such agreement on the public record for a period of thirty (30) days for the receipt and consideration of public comments, and having duly considered the comments received from interested persons pursuant to Commission Rule 2.34, 16 C.F.R. § 2.34, now in further conformity with the procedure prescribed in Commission Rule 2.34, the Commission hereby issues its complaint, makes the following jurisdictional findings, and enters the following Order:

2. The Federal Trade Commission has jurisdiction of the subject matter of this proceeding and of the Respondent, and the proceeding is in the public interest.
