of such personal data. This determination is referred to commonly as meeting the EU's "adequacy" standard.

6. To satisfy the EU adequacy standard for certain commercial transfers, the U.S. Department of Commerce ("Commerce") and the EC negotiated the U.S.-EU Safe Harbor Framework, which went into effect in 2000. The U.S.-EU Safe Harbor Framework allows U.S. companies to transfer personal data lawfully from the EU. To join the U.S.-EU Safe Harbor Framework, a company must self-certify to Commerce that it complies with seven principles and related requirements that have been deemed to meet the EU's adequacy standard.
7. Companies under the jurisdiction of the U.S. Federal Trade Commission ("FTC"), as well as the U.S. Department of Transportation, are eligible to join the U.S.-EU Safe Harbor Framework. A company under the FTC's jurisdiction that claims it has self-certified to the Safe Harbor principles, but failed to self-certify to Commerce, may be subject to an enforcement action based on the FTC's deception authority under Section 5 of the FTC Act.
8. Commerce maintains a public website, www.export.gov/safeharbor, where it posts the names of companies that have self-certified to the U.S.-EU Safe Harbor Framework.
