DECISION AND ORDER

The Federal Trade Commission (“Commission”), having initiated an investigation of certain acts and practices of Oregon Lithoprint, Inc. (“Respondent”), and Respondent having been furnished thereafter with a copy of the draft Complaint that the Bureau of Competition proposed to present to the Commission for its consideration, and which, if issued by the Commission, would charge Respondent with violations of Section 5 of the Federal Trade Commission Act, as amended, 15 U.S.C. § 45; and

Respondent, its attorneys, and counsel for the Commission having thereafter executed an Agreement Containing Consent Order (“Consent Agreement”) containing an admission by Respondent of all the jurisdictional facts set forth in the draft Complaint, a statement that the signing of said Consent Agreement is for settlement purposes only and does not constitute an admission by Respondent that the law has been violated as alleged in such Complaint, or that the facts as alleged in such Complaint, other than jurisdictional facts, are true, and waivers and other provisions as required by the Commission’s Rules; and

The Commission having thereafter considered the matter and having determined that it had reason to believe that Respondent had violated the said Act, and that a Complaint should issue stating its charges in that respect, and having
