DR. NEPUTE: -- Eric Nepute. I hope you're
having an amazing day today. It is Wednesday. It's
an interesting day in the world. Missouri just had
their primary elections. Record number of mail-in
ballots. We've been -- we've had an amazing story
that broke in the media locally yesterday in St. Louis
that's not getting any national press that we've got
to talk about. So I'll give everybody a minute to
jump on.

Where's everybody watching at from this
morning? Good morning, good morning, good morning
this morning. Where are you all watching from?

I got Kelly's who's in Tennessee.

Melissa, good morning.

We got Joanie. Howdy, Ms. Joanie. Hope
you're well.

Cynthia, good morning this morning.

Janet is in California.

Jesse's in West Virginia.

Good morning, everybody. Hope you guys are
good.

I got a little rant I'm going to go off on
