

United States of America
FEDERAL TRADE COMMISSION
WASHINGTON, D.C. 20580

Office of the Secretary

February 4, 2019

Mr. Dave Adler
State of New York

Re: *In the Matter of Marathon Petroleum Corporation, Express Mart Franchising Corp., Petr-All Petroleum Consulting Corporation, and REROB, LLC, File No. 181-0152, Docket No. C-4661*

Dear Mr. Adler:

Thank you for your comment regarding the proposed consent order accepted by the Federal Trade Commission for public comment in the above-captioned matter. In your comment, you expressed a concern about fuel prices in Whitney Point, New York, if Mirabito acquired a station there. The proposed consent order contemplates that Sunoco LP, not Mirabito, will acquire the station that the Commission is requiring the parties to divest in Whitney Point.

The Commission has placed your comment on the public record pursuant to Rule 4.9(b)(6)(ii) of the Commission's Rules of Practice, 16 C.F.R. § 4.9(b)(6)(ii). The Commission has now determined that the public interest would best be served by issuing the Decision and Order in final form, and copies of the Decision and Order and other public documents are available on the Commission Website at <https://www.ftc.gov/>.

Hearing comments from a variety of sources assists the Commission in its work on antitrust and consumer protection issues, and we appreciate your interest in this matter.

By the direction of the Commission.

April Tabor
Acting Secretary
