Dear Sir/Madam,

Congratulations,

D!

Please accept our sincere thanks and gratitude for allowing SLAC INC. to work so diligently on your behalf in getting into one of these federal programs. It was a pleasure to serve you!

Here at SLAC INC. we strive to provide the highest level of service possible. We hope that your experience with us was a pleasant one, and hope that we can be of continued service. As a valued student loan consumer, your comments and opinions are very important to us.

Now that you have had the chance to experience the service SLAC INC. provides, we would like to hear from you on our BBB page. Unfortunately, the BBB is used by many customers as a tool to negatively respond or give feedback to companies for those who have had counteractive experiences, especially as this student loan industry matures from its infancy stage. However, with many clients, including yourselves, we hoped to have reached every expectation in providing a positive experience, and it is our hope that you can testify to that existence by taking a moment to write a positive review. SLAC INC. knows that it is our customers who make our business.

We greatly appreciate your positive remarks and in leaving a good review it will encourage those who desperately need the assistance, just as you did, to make the decision in choosing SLAC INC. to provide the service in assisting them with the application process in order to get submitted correctly in an expedited time frame, inevitably getting the millions of student loan consumers the relief that he or she has the right to receive.
