(i) Product testing of radio frequency equipment, and

(ii) Testing of radio frequency equipment in an Open Area Test Site.

To accomplish this transition, the Commission will update the current "Experimental Licensing Radio" electronic filing system. The existing ELS Form 442 interface will require modification; and the ELS database will require modification to facilitate interoperability with the new ELS notification Web site. There will be new screen shots for the Web site/licenses. Office of Engineering and Technology Web site ://
