Call for Papers

The Federal Trade Commission's Bureau of Economics and the Tobin Center for Economic Policy at Yale University will host the 14th Annual FTC Microeconomics Conference on **November 4 and 5, 2021, in Washington, D.C.** This event will bring together scholars working in areas related to the FTC's antitrust, consumer protection, and public policy missions.

We welcome submissions from related fields including industrial organization, information economics, health policy, behavioral economics, quantitative marketing, and other areas of applied microeconomics. We especially would like to encourage submission of papers on topics of Commission interest such as vertical integration, potential competition mergers, and
