FTC Cease and Desist Demand: In addition, it is unlawful under the FTC Act, 15 U.S.C. § 1 et seq., to advertise that a product can prevent, treat, or cure human disease unless you possess competent and reliable scientific evidence, including, when appropriate, controlled human clinical studies, substantiating that the claims are true at the time they are made. For COVID-19, such study is currently known to exist for the products identified above. Thus, any coronalated prevention or treatment claims regarding such products are not supported by competent and reliable scientific evidence. You must immediately cease making all such claims. Violations of the FTC Act may result in legal action seeking a Federal District Court injunction.
