Concurring Statement of Commissioner Melissa Holyoak

Career Step LLC, FTC Matter No. 2323019

July , 2024

I am proud today to support the Commission's action against Career Step LLC, which targeted military consumers with allegedly false and unsubstantiated representations about its online career training and certification program. The Commission's order resolving these allegations provides for \$15.7 million for consumer redress and \$27.8 million in debt forgiveness. It will also require Career Step to instruct consumer reporting agencies to delete the forgiven debt from consumer's credit.

and women who serve in our military. I look forward to working with my fellow Commissioners to protect those who protect us.
