RE: Question about 802.51

[REDACTED]
Rule 802.51 provides a limited exemption for assets covered by 801.40(d)(2), which only includes credit obligations. You must still determine whether the JV will hold other US assets valued over \$50 million, or if the assets/businesses to be contributed had more than \$50 million in aggregate sales in or into the US in the most recent fiscal year.

To determine whether the size of person test is met, please see 801.40(c).

Kristin
