Report and comment on its entities, regardless of whether they have sales in or from the US (as defined in the \$10MM threshold you reference below).

For more guidance, see <https://www.ftc.gov/press-release/20230323-completing-item-6-hsr-form>.

I hope you are well.

I have a question concerning how to complete Item 6(a) of the HSR Form. I am listing companies that have derived US revenue from sales in the US. Would that mean companies that do not have US sales but have holding companies or other entities with no sales would not be included in Item 6(a)?

I am also confused by the \$10MM in total assets threshold.

Am I reading this incorrectly?
