Hi [REDACTED]
In situations like this you can note in Item 4(b) the UPE is a newly-formed entity and does not have financial information for Item 5(a) you can note at the bottom of page 2.

Hello,

Our UPE is a newly formed entity and does not have financial information that is not relevant to the transaction. The transaction exceeds the \$25,000 (or \$50,000 as adjusted threshold) size of person but that due to the size of our transaction, the size of person analysis is not relevant. Is this correct?
of reportability?

Please let us know if you have any questions.

Thank you,
