Subject: Application of Rule 802.21 to Post-Consummation HSR Filings

Good afternoon. I am writing with a question concerning when the 5-year period in Rule 802.21 begins to run for an acquiring party that has submitted a post-consummation HSR filing. In Rule 802.21(c)(10) provides that the 5-year period begins to run from the expiration of the waiting period for the post-consummation filing. I would appreciate it if you could confirm whether this interpretation reflects the current position of the Premerger Office. Thank you.
