The HSR waiting period can begin retroactively. As I am sure you have, the waiting period for the FTC Act and Rules. When submitting the filing, the fee is a part of the filing.

Dear PNO,

We submitted item 4 documents on [REDACTED] person. We understand the acquiring person's filing fee was not received until today. Our client has requested that we inquire as to when the filing period to begin retroactively on Feb. 23 to facilitate the filing.

Many thanks,
