Constituent Support for the FTC's

	order to avoid the non-compete area. 0\ QRQ SHWLWLRQHUV DOVR FKRVH RQH RI WKH UHDVRQV WKDW WKH\ VWURQJO\ IHHO QRQ-competes are unfair to workers and agree with the financial harm they can cause them. If I had moved out of the area, in my industry moving expenses are almost never covered by the new employer, and to stay I had to completely shift gears within my industry in order to not violate my non-compete. I now own my own mobile practice, and although I have no other employees, if I ever hire another vet or worker, I will never enforce or saddle them with a non- compete clause." 6WHSKD
