

Exhibit B

How To Turn Your Cancer Into Health?

Individual results may vary. Always consult a physician before starting any treatment. Dr. Dalal Alkoury, MD is a certified and licensed physician.

Why So Many AWAREmed Clinic Patients Experience Improved Quality and Extension of Life?

A WHOLE-istic Approach - We offer the most effective advanced and most comprehensive alternative, complementary, herbal, nutritional, stem cell, hormone, holistic, integrative, and medical technologies.

Cost Effective - Our treatments are so fast and effective that they can be used as a "slow bleed" approach used by most other clinics and hospitals. Our results even beat...

A Warm, Healing Environment - Our staff blankets our beloved patients with care and compassion, calm, and soothing, stress-free atmosphere.

Exceptional RESULTS - Many of our patients have reported significant improvement in their quality of life significantly after visiting our Clinic. This includes remission of illnesses considered by most to be incurable, such as Parkinson's, Alzheimer's and terminal cancers.

This is why many so doctors send their patients to AWAREmed, www.awaremed.com
