StuphCorp

H2O2 Nebulizer Treatment” that consumers should “[b]reathe the nebulized solution in thru your mouth/nose every hour the first day if they need it and then 4 times a day till the infection is gone. If any irritation develops, simply use less or use a more diluted solution.”

It is unlawful under the FTC Act, 15 U.S.C. § 401 et seq. to advertise that a product can prevent, treat, or cure human disease unless you possess competent and reliable scientific evidence, including when appropriate, well-controlled human clinical studies, substantiating that the claims are true at the time they are made. For COVID-19, no such study is currently known to exist for the product identified above. Thus, any Coronavirus-related prevention or treatment claims regarding such product are not supported by competent and reliable scientific evidence. You must immediately cease making all such claims.

You are also advised to view all other claims for
