RE: Unapproved and Misbranded Products Related to Coronavirus Disease 2019 (COVID-19)

This is to advise you that the United States Food and Drug Administration (FDA) and the Federal Trade Commission (FTC) reviewed your website at the Internet address <http://josephhealthgroup.com> on April 22, 2020 and August 6, 2010, respectively. The FDA has observed that your website offers the products Basic Immune Support Kit, Enhanced Immune Support Kit, and Ultra Immune Support Kit for sale in the United States and that these products are intended to mitigate, prevent, treat, diagnose or cure COVID-19¹ in people. Based on our review, these products are unapproved new drugs sold in violation of section 505(a) of the Federal Food, Drug, and Cosmetic Act (FD&C Act), 21 U.S.C. § 355(a). Furthermore, these products are misbranded drugs under section 502 of the FD&C Act, 21 U.S.C. § 352. The introduction or delivery for introduction of these products into interstate commerce is prohibited under sections 301(a) and (d) of the FD&C Act, 21 U.S.C. § 331(a) and (d).

There is currently a global outbreak of respiratory disease caused by a novel coronavirus that has been named "severe acute respiratory syndrome coronavirus 2" (SARS-CoV-2). The disease caused by the virus has been named "Coronavirus Disease 2019"

“[W]e have created these different supplements in these different kits, as we call them, that will give your body the greatest chance you can not to get the virus. But if you do get the virus, there’s properties in these supplements that will keep . . . the virus from replicating in your body, so if you get it, your symptoms might not be as severe. . . . [T]hese supplements that we’re recommending, and they’re all researched . . . have those properties to keep it from selfrreplicating and destroying your body. That’s all we’re trying to do, is lessen the destruction it may have on your body an
